

## God Helps Me

(Ideas: piano, guitar in chorus, tambourine)

F                                  B                  F  
No matter the problem, big or small,  
F                                  B                                  C  
God will help me overcome them all.  
F                                  B                  F  
He promises to give, all that I need,  
F    C                  F  
God always helps me, yes, God helps me.

B                  F C                  F  
Anytime, night or day,  
B                  F                  C                  F  
Help is just a prayer away.  
B                  F C                  F  
Anytime, night or day,  
B                  F                  C                  F  
Help is just a prayer away.
